iii. for an individual physically located outside the geographic boundaries of the State of New Hampshire—

a) the record—
   1) is intended for filing with or relates to a matter before a court, governmental entity, public official, or other entity subject to the jurisdiction of the State of New Hampshire; or

b) the notarial officer has no actual knowledge that the act of making the statement or signing the record is prohibited by the laws of the jurisdiction in which the individual is physically located.

2. If a State law requires an individual to appear personally before or be in the physical presence of a notarial officer at the time of a notarization that requirement shall be satisfied if the individual and the notarial officer are not in the physical presence of each other but can communicate simultaneously by sight and sound through an electronic device or process at the time of the notarization.

3. Nothing in this Order shall require a notarial officer commissioned under the laws of the State of New Hampshire to perform a notarization—

5. The official date and time of the notarization shall be the date and time when the notarial officer witnesses the signature via the electronic devices that provide the audio/video presence.

6. The validity and recognition of a notarization under this Order shall not prevent an aggrieved person from seeking to invalidate a record or transaction that is the subject of a notarization or from seeking other remedies based on State or Federal law other than this Order for any reason not addressed in this Order, including on the basis—

   (A) that a person did not, with present intent to authenticate or adopt a record—
      i. execute or adopt on the record a tangible symbol; or
      ii. attach to or logically associate with the record an electronic signature;
   (B) that an individual was incompetent, lacked authority or capacity to execute the record, or did not knowingly and voluntarily execute a record; or
(C) of fraud, forgery, mistake, misrepresentation, impersonation, duress, undue influence, or other invalidating cause.

7. Nothing in this Order shall affect or supersede a State law or rule governing, authorizing, or prohibiting the practice of law.

8. The failure of a notarial officer to meet a requirement specified in this Order shall not invalidate or impair the recognition of a notarization performed by the notarial officer under the authority granted in this Order.

9. This Order shall not be construed to create a public or private cause of action or remedy.

10. This Order shall not affect the validity of a notarization performed before the effective date hereof. The validity and recognition of a notarization performed pursuant to the terms of this Order and during the period hereof, shall not be affected by the subsequent expiration, modification, amendment or revocation of this Order.

11. If any provision of this Order or the application of such provision to any person or circumstance is held to be invalid or unconstitutional, the remainder of this Order and the application of the provisions thereof to other persons or circumstances shall not be affected thereby.
